Marionette Noir Breaks the Silence with New Single “DEAD TO ME”

MINNEAPOLIS, MN — Dark-noir artist Marionette Noir is set to release the haunting new single, “DEAD TO ME,” on December 29.

A fusion of Gritty Soul-Blues and Dark Cabaret, the track serves as a visceral anthem for reclaiming one's reality after betrayal. Through biting lyrics like "You were future-faking with the words that you said," the song explores the psychological fallout of manipulation and the strength found in finally seeing the truth.

“DEAD TO ME” captures the exact moment the "noise" of a toxic partner's rage is revealed as a desperate cover for their own lies. It is a cinematic, raw exploration of betrayal and the strength found in walking away.

About Marionette Noir: Based in Minneapolis, Marionette Noir delivers "Melodic Noir" music that cuts through the noise of deception with cinematic precision. By blending soulful grit with theatrical storytelling, the project explores the complexities of human dynamics and the sharp clarity found in walking away. It is music for the unmasked: bold, atmospheric, and unapologetically honest.

“DEAD TO ME” will be available on all major streaming platforms on December 29.
